WHO WE ARE

Vision International Holdings SARL is an Authorized Customs Broker operating in Cameroon since 2014. We specialize in streamlining and securing import-export operations across the industrial and agricultural value chains.

Our mission is to guarantee rapid evacuation of exports to meet international contracts and control import costs to maintain our clients' competitiveness in local and regional markets.

WHY CHOOSE US?

EXPERIENCE & EXPERTISE

Over a decade of industry know-how since 2014 with a team of dedicated professionals.

CUSTOMER FOCUSED

We tailor solutions to meet your unique business needs and ensure complete satisfaction.

SPEED & EFFICIENCY

We minimize delays and optimize processes to keep your business moving forward.

COST OPTIMIZATION

We leverage our expertise and networks to reduce your logistics and operational costs.

COMPLIANCE & SECURITY

Strict adherence to regulations to safeguard your goods and ensure peace of mind.

OUR CORE VALUES

INTEGRITY

PROFESSIONALISM

INNOVATION

TEAMWORK

COMMITMENT

"Your Success is Our Mission."

OUR SERVICES

CUSTOMS CLEARANCE

- Export Customs Clearance: Priority management for perishable goods (Cocoa, Coffee) to avoid quality degradation.
- Import Customs Clearance: Accelerated processing for conventional ships (Bulk & Containers) to reduce demurrage.
- Industrial Projects: Clearance of spare parts, heavy machinery, and processing equipment.

WAREHOUSING & STORAGE

- Bonded Warehousing: Management of buffer stocks under customs control, allowing deferred payment of duties and taxes.
- Secure, bonded and temperature-controlled storage facilities.
- Inventory management and stock control systems.

TAX & REGULATORY OPTIMIZATION

- Investment Incentive Management: Application of the Investment Code (Law No. 2013/004) for total exemption from duties on new equipment during installation phases.
- "Cost of Living" Relief: Management of VAT exemptions or reductions in taxable value on essential products.

LOGISTICS & TRANSPORT

- Transport Solutions: Organization of transport from production areas to ports of embarkation.
- Nationwide & regional haulage with a reliable network of partners.
- Real-time tracking and communication for total visibility.

HANDLING & CARGO CARE

- Professional handling solutions for sensitive and heavy cargo.
- Modern equipment and skilled personnel to ensure safety and efficiency.
- Packaging, labeling and palletizing services.

INDUSTRY EXPERTISE

PHARMACEUTICAL

Expertise in handling pharmaceutical products and healthcare supplies.

MANUFACTURING

Customs optimization for industrial inputs, machinery and spare parts.

REGULATORY COMPLIANCE

Strict monitoring of ANOR standards and phytosanitary requirements.

REGIONAL TRADE

Rigorous application of Rules of Origin (AFCFTA / CEMAC) for preferential tariffs.
